("Dinosaur"); *Hildene Capital Management, LLC v. American Bankers Association et al.*,
Case No. 22-cv-1929-KPF ("Hildene")

Dear Judge Failla:

I am lead counsel for the American Bankers Association in the above-referenced matter. I write to request that the hearing on defendants' letter regarding a motion to dismiss scheduled for October 31, 2022 be rescheduled for November 8. This is the parties' first request for an adjournment of the pre-motion conference date. Plaintiffs and the other defendants have agreed to reschedule the conference, and are available on November 8. I have a conflict due to another case for which I am also lead trial counsel. Specifically, the Court in that case scheduled an in-person hearing in San Francisco for my client's motion for preliminary injunction seeking to enjoin defendants' conduct that is causing millions of dollars in lost revenues each week absent an injunction. If the Court's calendar cannot accommodate a hearing on November 8, I will confer with the parties to propose additional dates.

Respectfully submitted,

/s/ David C. Kiernan
